## EXPERIENCE

### Web Development, New Jersey — *Web Developer*

2020 - 2021

Completed two freelance websites for small business owners. Currently working on recreating designs from PSD and XD files into working websites.

### Eurofins/ANA Laboratories, New Jersey — *Data Entry*

2013 - 2020

Responsible for keying various samples into the company database. Daily completion of high volumes of work with an emphasis on accuracy. Expert time management and computer maintenance skills necessary. Communicate effectively in a cooperative work environment.

### Seabrook Brothers and Sons, New Jersey — *Database Management*

2008 - 2012

Data entry into the company-wide database. Managed product inventory and supplies for the warehouse and production floor through a command-line interface. Kept all production lines organized and on schedule.

### Capture Resource, New Jersey — *Data Entry*

2004 - 2008

High volume alphanumeric data entry with emphasis on precision. Excelled in the proficiency incentive program.

## EDUCATION

### The Web Developer Bootcamp, Udemy — *Colt Steele*

APRIL 2020 - SEPTEMBER 2020

### Westwood College, Online — *Game Development*
